

# YRFlow: 5-Minute Quick Start Guide

**Step 1: Copy** Go to prompts.txt and copy **Prompt 01: The Strategic Objection Flip**.

**Step 2: Input** Paste it into your AI. Use the following data for your first test:

- Product: [Your Main Offer]
- Industry: [Your Target Client's Industry]
- Obstacle: "They said they want to wait until next quarter."

**Step 3: Refine** Read the output. Notice how it focuses on "Opportunity Cost" rather than "Pushy Sales."

**Step 4: Send** Identify one lead in your inbox who is currently "on the fence." Adapt the output and send it.

**Total Time:** 4 Minutes, 30 Seconds.
